📍 Narayan Vihar , Jaipur

## PROFILE

Motivated and tech-savvy student with a strong foundation in web development and project management, currently pursuing studies in [Your Major] at [Your Institution]. As the founder of ByteME, I am passionate about leveraging technology to create innovative solutions, particularly in the fields of education and veterinary services. Proficient in HTML, CSS, JavaScript, and React.js, with hands-on experience in developing user-friendly applications. Adept at collaborating with diverse teams and managing projects from conception to execution. Committed to continuous learning and applying my skills to real-world challenges, I aim to contribute positively to the tech industry and make a meaningful impact in my community.
